

# What can you expect from personal years?

## **PY1 : → (Year of a NEW START)**

- More enthusiasm and energy to help you in escalating or accomplishing the unrealized goals and dreams related to Job, Business, Property, Marriage or any important venture.
- Whatever you will start in this year, will have a great impact on your future. You should not miss the potential of this year.

## **PY2 : → (Slow and gentle year)**

- This is a slow and gentle year demanding your patience.
- You will be tempted to push to make the things happen but if you don't wait for the right time, you will end up in wasting your time, efforts and money.
- This is the year of a good warm-up. Analysis, study and preparation of everything that you are going to need to start your venture or to do any important task you want to.
- By end of the year, you'll find that you have reached where you wanted to be.

## **PY3 : → (Year of Education, Knowledge, Spirituality and self-upgradation.)**

- This year, better focus on upgrading yourself by learning new things, gaining knowledge and adding values to your academics.
- Meditate and enrich yourself spiritually.
- Those who are associated with Occult sciences, Education sector, Spiritualism and Religious practices will do very good this year.
- However, if you are thinking of growth in your business or job, the results may vary according to your current position.

## **PY4 : → (Hard work and goal achieved.)**

- This year is good for the hardworking and focused people only.
- Set your goal in the beginning of this year. Work hard with full focus and dedication whole year and celebrate the success of achieving your goal by end of this year.
- If you don't aim anything, do not work hard for any specific goal then this year will be seriously heavy and restricting for you.
- Moral of the story: This year is going to be best for doers and worst for dreamers.

## **PY5 : → (Year of SUCCESS and pleasant surprises)**

- Everyone can expect something nice from this year.
- This year is an auspicious year for change and variety in any area of your life like career, family, property, marriage, travel and everything.
- You may expect the unexpected gains in the area of your passion.

## **PY6 : → (Year of Luxury, Home and Family)**

- You want to get married? Get married this year.
- You want a divorce? Get divorced this year.
- You want to have a baby? Done!!
- You want to buy a car or a house? Done!!

**PY7 : → (Year of wisdom, Spirituality and Occult)**

- This year, your thought will be on the voyage of learning or meditation.
- You may learn new skills or go for any formal or informal study.
- This is the year of planning and analysis but not the implementation.
- Consider this year as a sabbatical.

**PY8 : → (Hard work, Money and Finance)**

- This year will pay you back for all your deeds in last decade. Rewards for good deeds and sufferings for bad deeds.
- If you are in to selling or buying, you will get the good deals. Especially property and real estate.
- Many of you will become workaholic this year to earn more and more money. BUT you are advised to relax or else you may face some minor / major health issues.

**PY9 : → (Re-evaluation and Audit period)**

- Being the last year of epicycle 1-9, this is the year of re-evaluation and audit of your deeds of past 9 years.
- Don't expect anything good in business, health or relationship. If this year goes smooth without hurting you, consider it as a reward.
- It is highly recommended to shelve new ideas and wait for the next year to implement those.
- !!VERY IMPORTANT!! You may face many misleading situations that may lead to the traps for no reason. So, beware.
- By end of the year, some ray of light will guide you to find the correct direction for the coming year.

**Please note, that your personal year starts from 5<sup>th</sup> of Feb every year and not 1<sup>st</sup> of Jan.**
