Remedies for John Doe

Number 2

Lack of sensitivity and intuitive power. May not care others' feelings. Try to justify their actions without admitting the mistakes.

Recommended:

- Hang pictures of mountains without water in the south-west corner of the house.
- Wear pearl or a mala (necklace) of crystals.
- Drink water in a silver glass to calm down.
- Keep a pair of silver swan toys in the home.
- Offer water to Shiv-ling.
- Donate (daan) rice or sugar.

Number 3

Lack of creativity and imagination power. May surrender in difficult situations.

Recommended:

- Place scenes/pictures of green plants in the east of the house (represents wood element).
- Wear Tulsi mala or a five Mukhi Rudraksh mala.
- Use objects made of wood (e.g., wooden table, wooden glass, grafted bamboo).
- Always respect old people and teachers.

Number 4

Lack of discipline and organization. Clumsy hands.

Recommended:

- Wear Tulsi mala or a five Mukhi Rudraksha (represents wood element).
- Donate (daan) Nariyal (coconut).
- Keep your house and surroundings clean.
- Keep green plant scenery in the south-east.
- Prefer to use objects made of wood (e.g., wooden table, wooden glass, grafted bamboo).

Number 5

Lack of balance in overall life. No drive and versatility to achieve their goals.

Recommended:

- Surround yourself with objects from the ground that are not metal (Quartz crystals are useful).
- Ensure no electric items are placed in the center of the house.
- Keep a poster of a mountain without water in the center of the house.

Number 6

Poor bonding with family. Weak relationships. Probability of facing problems in marriage. Do not get the support from the society at the time of crunch.

Recommended:

- Use metal coins as a 'cure' (metal element relates to money/gold).
- Respect ladies; give cosmetics as a gift to married women.
- Keep an 11-inch long, 6-rod golden wind chime hanging in the north-west.
- Wear a watch or bracelet with a golden chain.
- Try wearing yellow clothes when going for important work.

Number 7

Lack of spiritualism and wisdom. May not care for others' feelings.

Recommended:

- Wear a watch or bracelet with a silver chain (represents metal element).
- Keep an 11-inch long, 7-rod silver hanging chime in the West.
- Help and serve dogs.
- Wear light-colored clothes (white, light blue, light green).

Number 8

Poor in financial management. Spendthrift.

Recommended:

- Respect people from humble backgrounds.
- Keep Crystals in the north-east.
- Keep a Kalash (pot) of water in the north-east.
- Distribute salty food.
- Avoid non-vegetarian food on Saturdays; consider fasting on Saturdays.
